## Wi-Fi & TV ? Why Needed?

There's No WIFI in NATURE, but You'll Get a STRONGER CONNECTION Since, we live our life in a fast pace. we seem to be working more hours and juggling tasks both at home and work. In a world that encourages Noise and Busy-ness: We find it hard to be quiet and still.

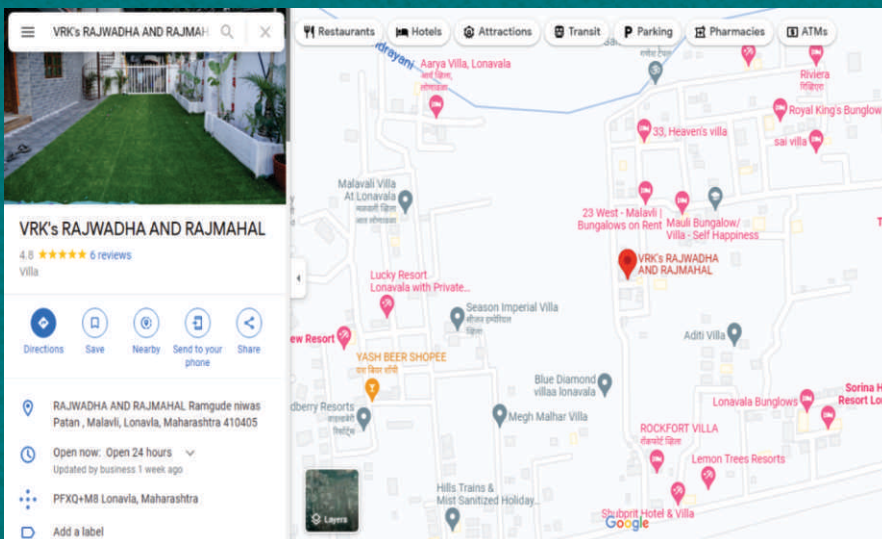

Surprisingly! we are WIFI Free ! No, No, we don't provide free Wi-Fi password. The literal meaning of "wifi-free" means the Villa is absolutely without access of Wi-Fi

### Why so ?

Because , we want our guests to maximize every second of their getaway by doing something relenting,relaxing and prioritizing self care. Spending time with loved one's the tree noticing birds in,enjoying their meal, and soothing.
